APPLICATION NOW OPEN FOR THE NLI FUTURE LEADERS’ SEMINAR

The application process is now open for the Nigeria Leadership Initiative (NLI) Future Leaders’ Seminar (FLS).

The FLS is conceived to help mobilize and groom a critical mass of emerging leaders in Nigeria and in the diaspora with outstanding leadership attributes and accomplishments. FLS is a program for emerging public and private sectors as well as civil society Nigerian leaders aged between 25 to 35 years of age. It is a residential seminar with intensive text based knowledge sharing.

Future Leaders’ Seminar (FLS) was designed to define the mission of the Nigeria Leadership Initiative (NLI) by creating a growing, global network of credible, accomplished community-spirited Nigerian leaders, committed to taking responsibility for driving positive change in Nigeria and Nigerian communities.

The seminar readings and discussion formats allow and encourage the participants to deeply reflect on themselves, the root of their values, what influences their styles of leadership and what changes (if any) need to be made in leadership styles that will be for the greater good.

The Seminar is capped by the launch of a class project by the participants. At the end, the participants are inducted as Associate Fellows of NLI.

If you believe you have what it takes to be part of NLI Future Leaders Seminar, please visit: http://fls.nli-global.org/

Application closes 1 May 2016, by 11.00pm West African Time
