## Law passage date

2012

## Expected implementation date

2013

## Package coverage

Health warnings are required to cover 50% the front and 50% of the back of the package. Overall, 50% of the package space is appropriated to health warnings. The text of the warnings should appear in English, French, or Creole.

## Rotation schedule and history

Four health warnings are used on cigarette packages. The law specifies that the images should be used for at least three years.

## Restrictions on misleading information

Misleading descriptors such as "light" and "mild" are prohibited from appearing on packages.
