THE RESIDENT ELECTORAL COMMISSIONER

Independent National Electoral Commission
Akwa Ibom State

Sir,

*Imo
Electoral Office
Obot Akara*

- 1. PROTEST ON UNFAIR PRACTICES BY INEC IN THE
SENATORIAL ELECTION**
- 2. ILLEGAL ATTEMPT TO REVERSE THE ANNOUNCED
CANCELLATION OF OBOT AKARA LGA RESULT**
- 3. DEMAND FOR A RECOUNT/QUERY OF CARDREADER IN ALL 10
LOCAL GOVERNMENT AREAS OF IKOT EKPENE SENATORIAL
DISTRICTS**

1. We have information that your office unilaterally is considering reversing the announced cancellation of result from Obot Akara. It is pertinent to note that the said purported result was riddled with manipulations, mutilations and clear case of over voting. Issues that criminal and weighty attempt to subvert the will of the people of Obot Akara. The results did not reflect the announced results from the Unit and Registration Areas.

It is the law that a pronouncement on a result has been made, only a court of law can reverse such decision. An attempt to reverse same is a total illegality.

2. It is out of this world that a collation official of a party can be invited to your office for the purpose of participating in a process that will rewrite, upturn and sanctify very bad and putrefying process/results. It is criminal to rewrite results after same was made public and signed by respective officials.

3. It is wrong for you to single out Essien Udim vote for a recount/query of cardreader without involving stakeholders.

*ORIGINAL COPY COLLECTED
BY ME: ENO BDO/HO
ASD - ADMIN*

We demand querying of cardreader/recount of votes from all 10 Local Government Areas of Ikot Ekpene Senatorial District.

4. The action of INEC is unfair to the All Progressives Congress and capable of subverting the will of the people. We call on INEC to fix a date for rerun elections in Obot Akara and announced the Essien Udim results.

Yours faithfully,

BARR IBANGA AKPABIO
