Well researched papers are invited from authors in the ICT industry and the academia for e-Nigeria 2019 International Conference and Exhibition. The papers should focus on emerging areas with potentials for addressing current national challenges (see e-Nigeria website). Submission of articles implies that the work described has not been published previously and it is not under consideration for publication elsewhere.

**Paper Submission**
All submitted papers will be peer-reviewed by Papers and Presentation Sub-committee and acceptance will be based on originality, quality, and relevance to the theme of e-Nigeria 2019 and the sub-themes:

Theme: “Leveraging Technology and Indigenous Innovation to Attain the Sustainable Development Goals” and Sub themes:

- a) Creating New Job Opportunities and Economic development through Technological Innovation
- b) Harnessing Indigenous Innovation and Creativity for Poverty Reduction in Nigeria
- d) Improving Indigenous Technological Innovation for Building Sustainable Cities
- e) Implications of Data Protection Regulation for Open Data, Big Data Analytics, and Smart Initiatives in Building a Productive National Economy.

**Formal Paper Acceptance Requirements**
To be accepted for oral presentation at e-Nigeria 2019, articles must satisfy the following criteria and will be evaluated by Papers and Presentation Sub-committee against these criteria:

- a) The article should be original to enhance the existing body of knowledge in line with SDG goals as highlighted in the conference themes and sub-themes.
- b) Results reported has not been submitted or published elsewhere.
- c) Conclusions are well presented and are supported by credible data.
- d) The paper should be submitted in PDF format.

**Important Dates**
- i. Paper submissions October 21, 2019
- ii. Notification of Paper Acceptance October 30, 2019
- iii. Camera-Ready Paper Submission November 5, 2019
