PUBLIC NOTICE

ISSUANCE OF TITLES TO THE BUYERS/PURCHASERS/BENEFICIARIES OF HOUSING UNITS WITHIN MASS HOUSING ESTATES IN THE FCT

Further to our previous publications, all **DEVELOPERS OF MASS HOUSING ESTATES** with duly executed Development Lease Agreements with the FCTA are reminded to apply for the titling of properties within their estates in favour of the buyers/purchasers/beneficiaries.

All Developers with subsisting interests are hereby notified that the FCTA has fixed a TWO (2) WEEKS period within which they are to forward, to the Department of Land Administration, FCTA, the names of all the buyers/purchasers/beneficiaries and all the required documentations. All Developers are to note that failure to comply within this timeframe may result in the withdrawal of the Lease Agreements.

The FCT Administration will take appropriate steps to ensure that titles are issued to the beneficiaries and that the FCTA receives the fees, rents and charges from the properties within the estates which were deferred in line with the terms and conditions of the Development Lease Agreements executed for mass housing allocations.

For the avoidance of doubts, find below a list of the Mass Housing and Affordable Housing allocations that were issued between 2005 and 2015.
