A Toast to President Tinubu, Who the Cap Fits!

President Bola Ahmed Tinubu, GCFR, deserves profound congratulations on his overwhelming emergence as the presidential candidate of the All Progressives Congress (APC) for the 2027 presidential election.

This historic and resounding endorsement by the party is a clear reflection of the confidence, trust and belief that millions of Nigerians continue to repose trust in your leadership. It is also a fitting recognition of his courage, resilience and steadfast commitment to repositioning Nigeria at a very critical period in the nation's history.

Mr President's emergence once again confirms that purposeful leadership, vision and political experience remain invaluable assets in the task of nation-building.

Since assuming office, President Tinubu has demonstrated uncommon boldness in confronting longstanding national challenges. At a time when many leaders would have chosen convenience over responsibility, he took difficult but necessary decisions aimed at rebuilding the economy, stabilising governance and laying a stronger foundation for national growth and prosperity.

It is therefore not surprising that President Tinubu's emergence has generated widespread excitement and optimism across the country. With this overwhelming mandate from the APC, the path toward victory in the 2027 general election now appears clearer than ever. Across political, ethnic and regional lines, there is increasing recognition that President Tinubu possesses the experience, courage and national outlook required to consolidate the gains already recorded and lead Nigeria toward greater prosperity and unity.

On behalf of Tantita Security Services Nigeria Limited (TSSNL) and the good people of the Niger Delta, I wish to assure Mr President of our unwavering support and solidarity as he prepares for the next phase of this national journey. Our people will not forget the remarkable contributions of his administration toward improving security, safeguarding critical infrastructure, promoting economic growth and restoring confidence in the Niger Delta region over the last three years.

We deeply appreciate the confidence his government has continued to place in indigenous capacity and collaborative security partnerships that have delivered measurable results for the nation.

As President Bola Ahmed Tinubu marches toward what promises to be another historic victory in 2027, we pray that Almighty God will continue to strengthen, guide and protect him in the service of our dear nation. Nigeria's future depends greatly on courageous leadership, unity of purpose

and the collective determination to build a safer and more prosperous country for generations yet unborn.

Congratulations, Your Excellency, on this well-deserved milestone. The Niger Delta stands firmly with you today and always!
